

JOB ANNOUNCEMENT

Clear Cambodia is a Christian local NGO that has been implementing the projects under the aim of water, sanitation and hygiene (WASH). The mission is to transform water quality, sanitation and health in target communities by making appropriate technology and education accessible to all. All of the work is done in collaboration with community leaders and local authorities. Clear Cambodia is currently implementing its projects in eleven provinces such as Battambang, Tboung Khmum, Prey Veng, Svay Rieng, Kampong Thom, Kampong Speu, Siem Reap, Kratie, Stung Treng, Pursat, and Ratanakiri.

We are looking for **01 (One)** qualified candidate to fill the position of **Technical Drawing Intern** based in **Phnom Penh**.

I. Main Responsibilities and Duties:

- Support in technical layouts drawing, site plans, and visual presentations for WASH facilities and infrastructure projects using AutoCAD and other design software.
- Develop illustrations, infographics, and visualizations to communicate technical WASH concepts to communities, partners, and donors.
- Design communication materials, including posters, brochures, flyers, banners, factsheets, reports, and other print and digital products.
- Edit photographs, illustrations, icons, and other graphic elements for publications, presentations, and online platforms.
- Assist in documenting project activities through visual content and graphic design for reports, presentations, and knowledge-sharing materials.
- Support awareness campaigns and behavior change communication activities related to water, sanitation, hygiene, and environmental health if required.
- Perform other graphic design and communication-related duties as assigned by the supervisor.

II. Requirements:

- Currently pursuing or recently completed a degree or diploma in Technical Drawing, Graphic Design, Architecture, Civil Engineering, Multimedia Design, Visual Arts, or a related field.
- Basic proficiency in AutoCAD for technical layouts and infrastructure drawings.
- Basic proficiency in Adobe Creative Suite (Photoshop, Illustrator, and InDesign) or equivalent graphic design software.
- Knowledge of Canva, social media content creation, and digital communication is an advantage.
- Understanding of graphic design principles, layout composition, typography, and visual storytelling.
- Strong creativity, attention to detail, and problem-solving skills.
- Good communication, interpersonal, and teamwork skills, with the ability to collaborate across technical and communication teams.
- Ability to manage multiple tasks and meet deadlines in a dynamic NGO environment.
- Transparency, honesty, integrity, and respect for diversity in all aspects of work.

III. Benefits:

- Gain practical work experience in a professional environment.
- Opportunity to build and strengthen a professional design portfolio.
- Receive an Internship Certificate upon successful completion of the internship program.
- A stipend will be provided to support transportation fee.

To apply, please submit your CV with current photo (size 4x6), cover letter, and Completed Application Form by email to hr@clearcambodia.org or directly send to address: **#86, St. 608, Sangkat Boeng Kak II, Khan Tuol Kouk, Phnom Penh**.
